Notice of termination by tenant for a periodic tenancy (General Form)

Note: There are a number of ways in which a tenancy may be terminated under the *Residential Tenancies Act 1995*, some of which include applying directly to the South Australian Civil and Administrative Tribunal.

A tenant cannot use this form to terminate a fixed term tenancy. If a tenant wishes to terminate a fixed term tenancy at the end of the fixed term, Form 17 must be used. In any other case, application must be made to the South Australian Civil and Administrative Tribunal.

Information for the tenant

- 1. This notice may be served on the landlord, or on an agent of the landlord:
 - (a) personally; or
 - (b) by sending it by post addressed to the person at their last known place of residence, employment or business; or
 - (c) by leaving it in a letterbox or other place where it is likely to come to the person's attention at their last known place of residence, employment or business; or

Termination information

- 1. When the tenant vacates the premises, they should leave them in a reasonable condition and in a reasonably clean state. If they are not, the landlord may recover from the bond, or from the tenant directly, the costs required to remediate the premises (with supporting evidence showing the condition of the premises compared to the start of the tenancy, which demonstrates more than wear and tear).
- 2. If possible, the tenant and the landlord should agree on how the bond should be paid. Applications for bond payments are generally made online with Consumer and Business Services. If agreement cannot be reached with the landlord, you should contact Consumer and Business Services.
- 3. When the tenant vacates the premises, the tenant should ensure that they leave all the keys, remote controls and security devices with the landlord or agent, and notifies the electricity entity, gas company, Australia Post, Telstra etc, so that the new tenants do not use gas, electricity and the telephone on the tenant's accounts, and so that mail can be forwarded.
